WATER

Drinking water is provided (see map). Boil, chemically treat, or filter all water from any lake, stream, or pond. Bacteria and parasites in untreated water may make you sick.

BEAR SAFETY

You are in bear country. Please maintain a clean campsite and do not litter. Close garbage can lids securely. Keep food contained. Bears can become attracted to human food and garbage which could make them very dangerous.

ACCESSIBILITY

All campsites, restrooms and most trails are designed to meet accessibility standards. Yellow "most accessible" areas provide the best campsites and trails for persons with disabilities.
